

Welcome Letter

With the start of the 2010/2011 school year, the Welcome Committee from the Parents Association (I.P.M.) wishes all families, especially the newly arrived ones, a pleasant and productive year.

We take this opportunity to introduce ourselves:

The Welcome Committee is composed of several parents of different nationalities. Our sole objective is to assist and support you as you establish yourselves in your new life among us in France.

We offer regular informative coffee sessions as well as other activities.

Please don't hesitate to contact us for help or to join in the Committee.
